

Sponsorship Application

Nevada County Superintendent of Schools (NCSOS) is seeking sponsors to contribute to the Nevada County STEAM Expo for the students in Nevada County.

Date TBD 2020

Nevada County Fairgrounds

The Nevada County STEAM Expo is an innovative alternative to the typical science fair. This exciting free event features Science, Technology, Engineering, Art, and Mathematics [STEAM] as educational opportunities and viable career paths - showcasing elementary through high school student-generated work. With your participation we will also be connecting students with their community and the role you play.

More than a characteristic science fair, STEAM Expo offers a place for students to exhibit their work alongside demonstrations and learning opportunities for the entire family - including expert presentations and interactive events, allowing young minds to experience an innovative environment of hands-on STEAM. We want students to leave the Expo inspired to explore their interests and talents.

Sponsorship

By becoming a Nevada County STEAM Expo sponsor, your sponsorship will be recognized in STEAM Expo literature, advertisements and/or programming. Please check your preferred level of sponsorship:

Sky High: \$1000 and above (includes opportunity to hang additional banner at event entrance, logo and sponsorship designation on all programming, advertisements, and on website for one year.)

Go-getter: \$500 - \$999 (includes sponsorship designation on all programming, advertisements, and on website for one year)

Mission Possible: \$100 - \$499 (includes sponsorship designation on all programming, advertisements, and on website for one year)

STEAM Buddy \$_____ (includes recognition of support on all programming and advertisements)
